## OUR STORY

Holy Smoke BBQ began as Yoho's Catering in 1983. In 1993 I began working at Yoho's learning how to smoke meats, create homemade sides, and cater for thousands of people under Art Yoho. After many great years of sharing our passion of all things Holy and BBQ, I became sole owner of Yoho's in 2005. In 2007 we rebranded as Holy Smoke BBQ and opened our new retail location at the North Market. We have opened a second location and headquarters in Gahanna. I look forward to sharing the same passion, quality products and tradition with our customers at both of our new locations in Columbus.
